OCTOBER 1 - NOVEMBER 1

Here at Hahn Family Shorthorns we are dedicated to produce Shorthorn and Shorthorn-influenced cattle designed to not only perform here for our beef needs, but most importantly to perform for our seedstock and commercial customers. Females and bulls alike are bred to offer reproductive success, efficient performance, and quality eating experiences. We truly enjoy the showing but understand the true exhibition of a beef animal is at home in the pasture and feedlot. We love the purebred cattle business and welcome visitors and conversations, so don't hesitate to call or e-mail. A special thank you to all our customers and visitors that have taken interest in our program. **WHERE CATTLE ARE BORN TO WORK FOR YOU!**
